

# Word Layout (Applies to Word, version 2003 and older & many free office suites, e.g. LibreOffice)

This is similar to the way Open Office is displayed. It uses menus like this instead of ribbons

# Word Screen Layout (Version 2007) showing the Ribbon (2010, 13, 16 & 19 are similar)

Quick Launch

Open Window

(This is Win 7)

System Tray

## Word Screen Layout (Version 2016) showing the Home Ribbon
