

APPLE SIG MEETING

The HOA has implemented capacity restrictions for all of the meeting rooms. The limit for the Palm room is 48 (47 + me). In order to avoid people being turned away at the door, I am attempting to use Sign Up Genius to track the number of folks who sign up. The link below will take you to the sign up page. The page will give information about the meeting, the number of slots available and the opportunity to sign up (if there is space available). You will need to check the "Sign up" box, click on submit and then complete the following page and click on "Submit and Sign up". This sign up list will be used for admission to the meeting.

Click on this link (or copy and paste in your browser) to go to the sign up page: <https://www.signupgenius.com/go/10C0F4BA9A82DA2FBC70-apple>

Apple SIG Meeting Agenda

November 10, 2021 4:00PM

Next Meeting December 8, 2021. General Topic will be Mac OS (IMAC, MacBook)

Restart your iPhone, iPad, or iPod touch. Follow the steps to restart your device.

Restart your iPhone X or later

1. Press and hold the Side button and either volume button until the slider appears.
2. Drag the slider to turn your device completely off.*
3. After your device turns off, press and hold the Side button again until you see the Apple logo.

Restart your iPhone 8 or earlier or iPod touch

1. Press and hold the Top (or Side) button until the slider appears.
2. Drag the slider to turn your device completely off.*
3. After your device turns off, press and hold the Top (or Side) button again until you see the Apple logo.

* With iOS 11 or later, you can turn off your device by going to Settings > General> Shut Down.

Restart your iPad with Face ID

1. Press and hold the Top button and either volume button until the slider appears.
2. Drag the slider to turn your device completely off.¹
3. After your device turns off, press and hold the Top button again until you see the Apple logo.

Restart your iPad with a Home button

1. Press and hold the Top (or Side) button until the slider appears.
 2. Drag the slider to turn your device completely off.²
 3. After your device turns off, press and hold the Top (or Side) button again until you see the Apple logo.
1. You can also turn off your device by going to Settings > General> Shut Down.
 2. With iOS 11 or later, you can turn off your device by going to Settings > General> Shut Down.

How to Hard Reset iPhone 7 or iPhone 7 Plus

1. Step 1: Press and hold the Lock/Wake button on the right side of your iPhone.
2. Step 2: At the same time, press and hold down the Volume Down button on the left side while keeping the Lock/Wake button pressed.
