

Word Layout (Applies to Word, version 2003 and older & many free office suites, e.g. LibreOffice)

This is similar to the way Open Office is displayed. It uses menus like this instead of ribbons

Word Screen Layout (Version 2007) showing the Ribbon (2010, 13, 16, 19 & 21 are similar)

Word Screen Layout (Version 2016) showing the Home Ribbon
